The diagram illustrates a sequence of operations. It begins with a gray rectangular box containing the text 'es.ull.esit.app>AboutUs.' followed by 'AboutUs' on a new line. A straight blue arrow points from the right side of this box to the left side of a second, white rectangular box. This second box contains the text 'es.ull.esit.app>AboutUs.init' followed by 'Components' on a new line. A curved blue arrow originates from the top of the second box and points back to its top, indicating a self-loop or a recursive call.
